

HSBC France

€ 20,000,000,000

Euro Medium Term Note Programme

Under the Euro Medium Term Note Programme (the **Programme**) described in this base prospectus (the **Base Prospectus**), HSBC France (the **Issuer**), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the **Notes**). The aggregate nominal amount of Notes outstanding will not at any time exceed € 20,000,000,000 (or its equivalent in other currencies at the date of issue).

This Base Prospectus shall be in force for a period of one year as from the date of its approval by the *Autorité des marchés financiers* in France (the **AMF**).

This Base Prospectus (together with all supplements thereto from time to time) contains the base terms and conditions of the Notes to be issued under the Programme and constitutes a base prospectus for the purposes of Article 5.4 of the Directive 2003/71/EC of the European Parliament and of the Council of 4 November 2003, as amended (which includes the amendments made by Directive 2010/73/EU to the extent that such amendments have been implemented in the relevant Member State of the European Economic Area) (the **Prospectus Directive**). The terms and conditions applicable to each Tranche (as defined in "General Description of the Programme") not contained herein will be determined by the Issuer and the relevant Dealer(s) at the time of the issue on the basis of the then prevailing market conditions and will be set out in the relevant final terms (the **Final Terms**) (a form of which is contained herein). Application has been made to the AMF in France for the approval of this Base Prospectus in its capacity as competent authority pursuant to Article 212-2 of its *Règlement Général* which implements the Prospectus Directive.

Application has been made to Euronext Paris for Notes issued under the Programme to be admitted to trading on Euronext Paris. Euronext Paris is a regulated market for the purposes of the Markets in Financial Instruments Directive 2004/39/EC dated 21 April 2004 (each such market being a **Regulated Market**). Notes issued under the Programme may also be listed and admitted to trading on any other Regulated Market in such Member State of the European Economic Area (**EEA**) and/or offered to the public in any Member State of the EEA, in each case in accordance with the Prospectus Directive, or may be listed on an unregulated stock exchange or market, or may be unlisted.

The relevant Final Terms in respect of the issue of any Notes will specify whether or not such Notes will be listed and admitted to trading and/or offered to the public and, if so, the relevant Regulated Market(s) where the Notes will be listed and admitted to trading and/or the Member State(s) in the EEA where the Notes will be offered to the public.

Notes may be issued either in dematerialised form (**Dematerialised Notes**) or in materialised form (**Materialised Notes**) as more fully described herein.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L.211-3 *et seq.* of the French *Code monétaire et financier*. No physical documents of title will be issued in respect of the Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be (i) in bearer form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (acting as central depository) which shall credit the accounts of the Account Holders (as defined in "Terms and Conditions of the Notes - Form, Denomination, Title and Redenomination") including Euroclear Bank S.A./N.V. (**Euroclear**) and the depository bank for Clearstream Banking, société anonyme (**Clearstream, Luxembourg**), or (ii) in registered form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in "Terms and Conditions of the Notes - Form, Denomination, Title and Redenomination"), in either fully registered form (*au nominatif pur*), in which case they will be inscribed in an account maintained by the Issuer or by a registration agent (appointed in the relevant Final Terms) for the Issuer, or in administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholder.

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a **Temporary Global Certificate**) will initially be issued in relation to Materialised Notes. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Notes with, where applicable, coupons for interest or talons attached (the **Definitive Materialised Notes**), on or after a date expected to be on or about the 40th day after the issue date of the Notes (subject to postponement as described in "Temporary Global Certificate in respect of Materialised Notes") upon certification as to non-U.S. beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository for Euroclear and Clearstream, Luxembourg, or (b) in the case of a Tranche (as defined in "Terms and Conditions of the Notes") intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the Relevant Dealer (as defined below).

The Programme has been rated AA- by Standard Standard & Poor's Rating Services, A1 by Moody's Investors Services Inc. and AA- by Fitch Ratings. The long term debt of the Issuer is currently rated AA- (with negative outlook) by Standard Standard & Poor's Rating Services, A1 by Moody's Investors Services Inc. and AA- by Fitch Ratings. Notes issued under the Programme may, or may not, be rated. The rating of a Tranche of Notes (if any) will be specified in the relevant Final Terms as well as whether or not such credit ratings are issued by a credit rating agency established in the European Union and has applied for registration under Regulation (EU) No. 1060/2009 (the **CRA Regulation**) as amended by Regulation (EU) No. 513/2011 and if so, whether the credit rating agency is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (www.esma.europa.eu/page/List-registered-and-certified-CRAs) in accordance with the CRA Regulation, will be disclosed in the Final Terms. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change, or withdrawal at any time by the assigning rating agency without notice.

Neither this Base Prospectus nor any other information supplied in connection with the Programme (including any information incorporated by reference therein) is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Base Prospectus or any other information supplied in connection with the Programme (including any information incorporated by reference therein) should purchase the Notes. Each prospective investor should determine for itself the relevance of the information contained or incorporated by reference in this Base Prospectus and its investment in the Notes should be based upon such investigation as it deems necessary. Neither the Arranger nor any of the Dealers undertakes to review the financial condition or affairs of the Issuer or the Group during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the Final Terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of thirty (30) days after the issue date of the relevant Tranche and sixty (60) days after the date of the allotment of the relevant Tranche. RETAIL CASCADES

In the context of any offer of Notes in France, the United Kingdom, Germany, the Netherlands, Belgium, the Grand Duchy of Luxembourg, Spain and/or Italy (the **Public Offer Jurisdictions**) that is not within an exemption from the requirement to publish a prospectus under the Prospectus Directive, as amended, (a **Public Offer**), the Issuer consents to the use of the Base Prospectus and the relevant Final Terms (the **Prospectus**) in connection with a Public Offer of any Notes during the offer period specified in the relevant Final Terms (the **Offer Period**) and in the Public Offer Jurisdiction(s) specified in the relevant Final Terms by:

(1) subject to conditions set out in the relevant Final Terms, any financial intermediary authorised to make such offers pursuant to the Markets in Financial Instruments Directive 2004/39/EC if applicable specified in the relevant Final Terms; or

(2) if so specified in the relevant Final Terms, any financial intermediary which satisfies the following conditions: (a) acts in accordance with all applicable laws, rules, regulations and recommendations of any applicable regulatory bodies (the **Rules**), from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the Notes by any person and disclosure to any potential investor; (b) complies with the restrictions set out under "*Subscription and Sale*" in this Base Prospectus which would apply as if it were a Dealer; (c) ensures that any fee (and any commissions or benefits of any kind) received or paid by that financial intermediary in relation to the offer or sale of the Notes is fully and clearly disclosed to investors or potential investors; (d) holds all licences, consents, approvals and permits required in connection with solicitation of interest in, or offers or sales of, the Notes under the Rules; (e) retains investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the relevant Dealer(s) and the Issuer or directly to the appropriate authorities with jurisdiction over the Issuer and/or the relevant Dealer(s) in order to enable the Issuer and/or the relevant Dealer(s) to comply with the Rules relating to anti-money laundering, prevention of corruption and client identification applicable to the Issuer and/or the relevant Dealer(s); (f) does not, directly or indirectly, cause the Issuer or the relevant Dealer(s) to breach any Rule or any requirement to obtain or make any filing, authorisation or consent in any jurisdiction; and (g) satisfies any further conditions specified in the relevant Final Terms, (in each case an **Authorised Offeror**). For the avoidance of doubt, none of the Dealers or the Issuer shall have any obligation to ensure that an Authorised Offeror complies with applicable laws and regulations and shall therefore have no liability in this respect.

The Issuer accepts responsibility, in the Public Offer Jurisdiction(s) specified in the Final Terms, for the content of the Prospectus in relation to any person (an **Investor**) in such Public Offer Jurisdiction(s) to whom an offer of any Notes is made by any Authorised Offeror and where the offer is made during the period for which that consent is given. However, neither the Issuer nor any Dealer has any responsibility for any of the actions of any Authorised Offeror, including compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to such offer.

The consent referred to above relates to Offer Periods (if any) occurring within 12 months from the date of the approval of this Base Prospectus by the AMF.

In the event the Final Terms designate financial intermediary(ies) to whom the Issuer has given its consent to use the Prospectus during an Offer Period, the Issuer may also give consent to additional Authorised Offerors after the date of the relevant Final Terms and, if it does so, it will publish any new information in relation to such Authorised Offerors who are unknown at the time of the approval of this Base Prospectus or the filing of the relevant Final Terms at www.hsbc.fr/1/2/hsbc-france/entreprises-institutionnels/placements/nos-solutions-de-placement-individuelles/emissions-obligataires.

If the Final Terms specify that any financial intermediary may use the Prospectus during the Offer Period, any such Authorised Officer is required, for the duration of the Offer Period, to publish on its

website a statement confirming that it is using the Prospectus for the relevant Public Offer with the consent of the Issuer and in accordance with the conditions attached thereto.

Other than as set out above, neither the Issuer nor any of the Dealers has authorised the making of any Public Offer by any person in any circumstances and such person is not permitted to use the Prospectus in connection with its offer of any Notes. Any such offers are not made on behalf of the Issuer or by any of the Dealers or Authorised Offerors and none of the Issuer or any of the Dealers or Authorised Offerors has any responsibility or liability for the actions of any person making such offers.

An Investor intending to acquire or acquiring any Notes from an Authorised Offeror will do so, and offers and sales of the Notes to an Investor by an Authorised Offeror will be made, in accordance with any terms and other arrangements in place between such Authorised Offeror and such Investor including as to the price, allotment, settlement/delivery arrangements and any costs or taxes to be invoiced to the Investor (the Terms and Conditions of the Public Offer). The Issuer will not be a party to any such arrangements with Investors (other than Dealers) in connection with the offer or sale of the Notes and, accordingly, the Base Prospectus and any Final Terms will not contain such information. The Terms and Conditions of the Public Offer shall be provided to Investors by that Authorised Offeror at the time of the Public Offer. Neither the Issuer nor any of the Dealers or other Authorised Offerors has any responsibility or liability for such information or the consequences of its use by the relevant Investors..

SUMMARY OF THE PROGRAMME

Summaries are made up of disclosure requirements known as ‘Elements’. These elements are numbered in Sections A – E (A.1 – E.7).

This summary contains all the Elements required to be included in a summary for this type of securities and Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements.

Even though an Element may be required to be inserted in the summary because of the type of securities and Issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element is included in the summary with the mention of ‘not applicable’.

This summary is provided for purposes of the issue by HSBC France of Notes of a denomination less than €100,000. The issue specific summary relating to this type of Notes will be annexed to the relevant Final Terms.

Section D –Risks Factors

<p>D.2</p>	<p>Key information on the key risks that are specific to the Issuer</p>	<p>An investment in the Notes comprises certain risks that should be taken into account before an investment. In particular, the Issuer and its subsidiaries taken as a whole (the Group) is exposed to the risks inherent to its activities, notably:</p> <p><u>Financial risks:</u></p> <ul style="list-style-type: none"> • Credit risk: is the risk of financial loss if a customer or counterparty fails to meet an obligation under a contract. It arises principally in the lending, trade finance, treasury and leasing businesses. • Market risk: is the day-to-day potential for an investor to experience losses from fluctuations in securities prices. • The structural Interest rate risk: affects banking operations and structural components of the balance sheet and does not affect market operations. • Forex "Foreign Exchange Risk": arising from banking operations are systematically transferred to the Trading Room. • Liquidity risk: is defined as the risk that HSBC France doesn't have sufficient financial resources to meet its obligations as they fall due, or will access to such resources only at an excessive cost. This risk arises from mismatches in the timing of cash flows. Funding risk (a form of liquidity risk) arises when the liquidity needed to fund illiquid asset positions cannot be obtained on the expected term when required. <p><u>Operational risks:</u></p> <ul style="list-style-type: none"> • Legal risk: The HSBC France Legal Department helps the various HSBC France group businesses to prevent and control legal risk and is in charge of litigation follow-up, to ensure that the risks framework remains adequate in the face of changes in laws, regulations and organisations. • Tax risk. • Information technologies risk: failure to comply with legal obligations, human and programming errors, loss of expertise relating to projects and/or technologies, unavailability of the information system when new developments or new third-party solutions are implemented, system and code vulnerabilities, outsourcing of sensitive functions and processes, loss of or damage to audit trails, failure of key suppliers in the regulatory sense, internal and external fraud. • Compliance risk: is defined by the situations of failure of compliance and infringements of internal rules of procedure. • Accounting risk: The Finance Department is responsible for the proper application of the HSBC France group's accounting principles and accounting control procedures. It defines the procedures and controls to be applied under the responsibility of each legal entity's accounting department.

Titres auront une maturité d'un mois minimum à compter de la date d'émission initiale tel qu'indiqué dans les Conditions Définitives concernées.

Remboursement

Sous réserve du rachat et de l'annulation des Titres ou du remboursement anticipé de ces Titres, ceux-ci seront remboursés à la Date d'Echéance pour un montant égal au Montant de Remboursement Final déterminé conformément aux Modalités des Titres.

Remboursement avant la date d'échéance

Les Conditions Définitives préparées à l'occasion de chaque Tranche de Titres indiqueront s'ils peuvent être remboursés avant la date d'échéance prévue (i) au gré de l'Émetteur (en totalité ou en partie) et/ou (ii) des Porteurs de Titres et/ou (iii) pour raisons fiscales.

Rendement à maturité

Les Conditions Définitives de chaque émission de Titres à Taux Fixe préciseront le rendement des Titres applicable si les Titres sont détenus jusqu'à leur maturité.

Représentation des Porteurs de Titres

[Les dispositions relatives à la représentation des Porteurs ne seront pas applicables si tous les Titres d'une Souche sont détenus par un seul Porteur. Un représentant des Porteurs sera uniquement nommé si les Titres d'une Souche sont détenus par plus d'un Porteur.]

En ce qui concerne la représentation des Porteurs, les paragraphes suivants s'appliqueront:

- (a) Si les Titres sont émis en France, les Conditions Définitives concernées spécifieront que la « Masse Complète » est applicable et les Porteurs de Titres seront groupés automatiquement, au titre de toutes les Tranches d'une même Souche, pour la défense de leurs intérêts communs en une Masse et les dispositions du Code de commerce relatives à la Masse s'appliqueront ; et
- (b) Si les Titres sont émis hors de France pour les besoins de l'article L.288-90 du Code de commerce, les Conditions Définitives concernées spécifieront que la « Masse Contractuelle » est applicable et les Porteurs de Titres seront groupés automatiquement, au titre de toutes les Tranches d'une même Souche, pour la défense de leurs intérêts communs en une Masse. La Masse sera régie par les dispositions du Code de commerce, à l'exception des articles L. 228-48, L. 228-59, L. 228-65 I (1°), (3°) et (4°), R.228-63, R.228-67 et R.228-69.

La Masse agira en partie par l'intermédiaire d'un représentant (le **Représentant**) et en partie par l'intermédiaire d'une assemblée générale des Porteurs de Titres. Les noms et adresses du Représentant initial et de son suppléant seront précisés dans les Conditions Définitives concernées. Le Représentant désigné dans le cadre de la première Tranche d'une Souche de Titres sera le représentant de la Masse unique de toutes les autres Tranches de cette Souche.

RISK FACTORS

RISK FACTORS RELATING TO THE ISSUER

Risk factors in connection with the Issuer are set out in details on pages 75 to 97 and 163 to 179 of the English translation of the Issuer's 2012 *Document de Référence* and on pages 19 to 33 of the English translation of the Issuer's *Actualisation du Document de Référence 2012* which are incorporated by reference in this Base Prospectus.

RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe the principal risk factors that the Issuer believes material to the Notes to be offered and/or listed and admitted to trading in order to assess the market risk associated with these Notes. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and consult their own financial and legal advisers about risks associated with investments in a particular Series of Notes and the suitability of investing in the Notes in light of their particular situation.

1. The Notes may not be a suitable investment for all investors

Each prospective investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each prospective investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement to this Base Prospectus and the relevant Final Terms;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact the relevant Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the prospective investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

2. Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for prospective investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of such Notes generally will not rise

substantially above the price at which they can be redeemed. This may also be true prior to any redemption period.

The redemption amount of the Notes may be lower than the purchase price for the Notes paid by the Noteholders. As a consequence, part of the capital invested by the Noteholder may be lost, so that the Noteholder in such case would not receive the total amount of the capital invested.

In addition, the Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Prospective investors should consider reinvestment risk in light of other investments available at that time.

Fixed Rate Notes

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate. A key difference between Floating Rate Notes and Fixed Rate Notes is that interest income on Floating Rate Notes cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. If the terms and conditions of the Notes provide for frequent interest payment dates, investors are exposed to reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing. In addition, the Issuer's ability to also issue Fixed Rate Notes may affect the market value and the secondary market (if any) of the Floating Rate Notes (and *vice versa*).

Potential Conflicts of Interest

All or some of the Dealers and their affiliates have and/or may in the future engage, in investment banking, commercial banking and other financial advisory and commercial dealings with the Issuer and its affiliates and in relation to securities issued by any entity of the Group. They have or may (i) engage in investment banking, trading or hedging activities including activities that may include prime brokerage business, financing transactions or entry into derivative transactions, (ii) act as underwriters in connection with offering of shares or other securities issued by any entity of the Group or (iii) act as financial advisers to the Issuer or other companies of the Group. In the context of these transactions, certain of such Dealers have or may hold shares or other securities issued by entities of the Group. Where applicable, they have or will receive customary fees and commissions for these transactions. In addition, the Calculation Agent may be an affiliate of the Issuer, and potential conflicts of interest may exist therefore between the Calculation Agent and the Noteholders.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Zero Coupon Notes and Notes issued at a substantial discount or premium

The market values of Zero Coupon Notes and securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

3. Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification of the Conditions

Except as otherwise provided by the relevant Final Terms, the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a Masse, as defined in Condition 12, and a General Meeting can be held. The Terms and Conditions permit in certain cases defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant General Meeting and Noteholders who voted in a manner contrary to the majority. The General Meeting may deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, as more fully described in Condition 12.

Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for the tax treatment of financial instruments such as the Notes. Potential investors cannot rely upon the tax summary contained in this Base Prospectus but should ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only such adviser is in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus.

EU Savings Directive

On 3 June 2003, the Council of the European Union adopted the Directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the **Savings Directive**). The Savings Directive requires Member States, as from 1 July 2005, to provide to the tax authorities of other Member States details of payments of interest and other similar income within the meaning of the Savings Directive made by a paying agent within their jurisdiction to (or under certain circumstances to

the benefit of) an individual resident in another Member State or certain limited types of entities established in another Member State, except that Luxembourg and Austria are instead required to operate a withholding system for a transitional period unless the beneficiary of interest payment elects for the exchange of information. In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the Savings Directive.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any paying agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a paying agent, the Issuer will be required to maintain a paying agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

The European Commission has proposed certain amendments to the Savings Directive which may, if implemented, amend or broaden the scope of the requirements described above.

Investors who are in any doubt as to their position should consult their professional advisers.

U.S. Foreign Account Tax Compliance Act Withholding may affect payments on the Notes

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (**FATCA**) impose a new reporting regime and, potentially, a 30% withholding tax with respect to (i) certain payments from sources within the United States, (ii) "foreign passthru payments" made to certain non-U.S. financial institutions that do not comply with this new reporting regime, and (iii) payments to certain investors that do not provide identification information with respect to interests issued by a participating non-U.S. financial institution. Whilst the Notes ARE held within the clearing systems, in all but the most remote circumstances, it is not expected that FATCA will affect the amount of any payment received by the clearing systems. However, FATCA may affect payments made to custodians or intermediaries in the subsequent payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA) and provide each custodian or intermediary with any information, forms, other documentation or consents that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. The Issuer's obligations under the Notes are discharged once it has paid the clearing systems, and the Issuer has therefore no responsibility for any amount thereafter transmitted through the clearing systems and custodians or intermediaries. Prospective investors should refer to the section "*Taxation – Foreign Account Tax Compliance Act*".

EU Crisis Management Directive

The European Commission has published proposals for a crisis management directive which is intended to enable a range of actions to be taken by relevant regulatory authorities in relation to credit institutions and investment firms which are considered to be at risk of failing. The full scope of the directive and its impact on the Issuer is currently unclear but the implementation of the directive or the taking of any action under it could materially affect the value of any Notes.

On 6 June 2012, the European Commission published a draft legislative proposal for a directive providing for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms (the **Crisis Management Directive** or **CMD**). The stated aim of the

draft CMD is to provide resolution authorities with common tools and powers to address banking crises pre-emptively in order to safeguard financial stability and minimise taxpayers' contributions to bank bail-outs and/or exposure to losses. The powers provided to authorities in the draft CMD are divided into three categories: (i) preparatory steps and plans to minimise the risks of potential problems (preparation and prevention); (ii) in the event of incipient problems, powers to arrest a firm's deteriorating situation at an early stage so as to avoid insolvency (early intervention); and (iii) if insolvency of a firm presents a concern as regards the general public interest, a clear means to reorganise or wind down the firm in an orderly fashion while preserving its critical functions and limiting to the maximum extent any exposure of taxpayers to losses.

The draft CMD currently contains four resolution tools and powers:

- (i) *sale of business* – enables resolution authorities to direct the sale of the firm or the whole or part of its business on commercial terms without requiring the consent of the shareholders or complying with the procedural requirements that would otherwise apply;
- (ii) *bridge institution* - enables resolution authorities to transfer of all or part of the business of the firm to a "bridge bank" (a public controlled entity);
- (iii) *asset separation* - enables resolution authorities to transfer impaired or problem assets to an asset management vehicle to allow them to be managed and worked out over time; and
- (iv) *bail-in* - gives resolution authorities the power to write-down the claims of unsecured creditors of a failing institution and to convert debt claims to equity (subject to certain parameters as to which liabilities would be eligible for the bail-in tool).

The draft CMD currently contemplates that it will be implemented in Member States with effect from 1 January 2015, except for the bail in tool, which is contemplated to be implemented by 1 January 2018.

The powers currently set out in the draft CMD would impact how credit institutions and investment firms are managed as well as, in certain circumstances, the rights of creditors. However, the proposed directive is not in final form and changes may be made to it in the course of the legislative process. In addition, certain proposals contained in the draft CMD are already included in the French *Code Monétaire et Financier* and it is currently unclear to what extent, the provisions of the French *Code Monétaire et Financier* will be amended once the draft CMD is implemented.

In addition, the banking law dated 26 July 2013 on separation and regulation of banking activities (*loi de séparation et de régulation des activités bancaires*) that anticipates the implementation of the CMD, has entered into force in France.

It is not yet possible to assess the full impact of the draft CMD on the Issuer and there can be no assurance that, once it is implemented, the fact of its implementation or the taking of any actions currently contemplated in it would not adversely affect the rights of Noteholders, the price or value of their investment in the Notes and/or the ability of the Issuer to satisfy its obligations under the Notes.

Changes in law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to French law or administrative practice after the date of this Base Prospectus.

French Insolvency Law

Except as otherwise provided by the relevant Final Terms, Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a Masse, as defined in Condition 12. However, under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the **Assembly**) in order to defend their common interests if a safeguard procedure (*procédure de sauvegarde*), an accelerated financial safeguard procedure (*procédure de sauvegarde financière accélérée*), or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (such as a Euro Medium Term Note Programme) and regardless of their governing law.

The Assembly deliberates on the proposed safeguard plan (*projet de plan de sauvegarde*), accelerated financial safeguard plan (*plan de sauvegarde financière accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling payments which are due and/or partially or totally writing-off debts;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the amount of debt securities held by the holders attending such Assembly or represented thereat). No quorum is required to convoke of the Assembly.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in the Terms and Conditions of the Notes set out in this Base Prospectus and, if applicable, the relevant Final Terms will only be applicable to the extent they do not conflict with compulsory insolvency law provisions that apply in these circumstances.

A Noteholder's actual yield on the Notes may be reduced from the stated yield by transaction costs.

When Notes are purchased or sold, several types of incidental costs (including transaction fees and commissions) are incurred in addition to the current price of the Notes. These incidental costs may significantly reduce or even exclude the potential profit of the Notes. For instance, credit institutions as a rule charge their clients for own commissions, which are either fixed minimum commissions or pro-rata commissions depending on the order value. To the extent that additional - domestic or foreign - parties are involved in the execution of an order, including but not limited to domestic dealers or brokers in foreign markets, Noteholders must take into account that they may also be charged for the brokerage fees, commissions and other fees and expenses of such parties (third party costs).

In addition to such costs directly related to the purchase of securities (direct costs), Noteholders must also take into account any additional costs (such as custody fees). Investors should inform themselves about any additional costs incurred in connection with the purchase, custody or sale of the Notes before investing in the Notes.

No limitation on issuing or guaranteeing debt ranking senior or pari passu with the Notes

There is no restriction on the amount of debt which the Issuer may issue or guarantee. The Issuer and its subsidiaries and affiliates may incur additional indebtedness or grant guarantees in respect of indebtedness of third parties, including indebtedness or guarantees that rank *pari passu* or senior to the obligations of the Issuer under the Notes. If the Issuer's financial condition were to deteriorate, the Noteholders could suffer direct and materially adverse consequences, and if the Issuer were liquidated (whether voluntary or not), Noteholders could suffer loss of their entire investment. In addition, the Notes do not contain any "negative pledge" or similar clause, meaning that the Issuer and its subsidiaries and affiliates may pledge its or their assets to secure other obligations without granting similar security in respect of the Notes.

The Notes contain limited events of default

The holder of any Note may only give notice that such Note is immediately due and repayable in a limited number of events. Such events of default do not include notably a cross-default of the Issuer's other debt obligations.

4. Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

Market value of the Notes

The market value of the Notes will be affected by the creditworthiness of the Issuer and a number of additional factors, including, but not limited to, the volatility of market interests and yield rates and the time remaining to the maturity date.

The value of the Notes depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have an adverse effect on the market value of Notes.

Although application has been made for the Notes issued under the Programme to be listed and admitted to trading on Euronext Paris, there is no assurance that such application will be accepted and that any particular Tranche of Notes will be so admitted.

In addition, Noteholders should be aware of the prevailing and widely reported global credit market conditions (which continue at the date of this Base Prospectus), whereby there is a general lack of liquidity in the secondary market for instruments similar to certain of the Notes which may be issued hereunder. Such lack of liquidity may result in investors suffering losses on the Notes in secondary resales even if there is no decline in the performance of the Notes. The Issuer cannot predict whether these circumstances will change and whether, if and when they do change, there will be a more liquid market for the Notes and instruments similar to the Notes at that time.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

The credit ratings of the Issuer are an assessment of its ability to pay its obligations, including those on the offered Notes. Consequently, actual or anticipated declines in the credit ratings of the Issuer may affect the market value of the relevant Notes

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each prospective investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

SUPPLEMENT TO THE BASE PROSPECTUS

If at any time the Issuer shall be required to prepare a supplement to this Base Prospectus pursuant to Article 16 of the Prospectus Directive and Article 212-25 of the General Regulation (*Règlement Général*) of the AMF, following the occurrence of a new factor, a material mistake or inaccuracy or omission relating to the information included or incorporated by reference in this Base Prospectus (including the "Terms and Conditions" of the Notes) which is capable of affecting the assessment of any Notes, the Issuer will prepare and make available an appropriate supplement to this Base Prospectus or a restated Base Prospectus, which in respect of any subsequent issue of Notes to be admitted to trading on Euronext Paris or on a Regulated Market of a Member State of the EEA or to be offered to the public in France or in any Member State of the EEA, shall constitute a supplement to the Base Prospectus for the purpose of the Prospectus Directive.

In accordance with and pursuant to Article 16.2 of the Prospectus Directive, where the Notes are offered to the public, investors who have already agreed to purchase or subscribe for Notes before any supplement is published have the right, exercisable within two working days after the publication of this supplement, to withdraw their acceptances provided that the new factor, mistake or inaccuracy referred to in Article 16.1 of the Prospectus Directive arose before the final closing of the offer to the public and the delivery of the Notes. That period may be extended by the Issuer or, if any, the relevant Authorised Offeror(s). The final date of the right of withdrawal shall be stated in the supplement.

The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the relevant Final Terms.

Dematerialised Notes shall be issued in one denomination only.
Status of the Notes:	The Notes and, where applicable, any relative Coupons, will constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and will rank <i>pari passu</i> without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) <i>pari passu</i> with all other present or future unsecured and unsubordinated obligations of the Issuer.

If such withholding or deduction is required by French law, the Issuer will have to gross-up its payments to the fullest extent then permitted by law and subject to certain exceptions. For a description of the French withholding tax rules, see Condition 9 "Terms and Conditions of the Notes - Taxation" and "Taxation" section.

Interest Periods and Interest Rates: The length of the interest periods for the Notes and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. Notes may have a maximum interest rate, a minimum interest rate, or both. The use of interest accrual periods permits the Notes to bear interest at different rates in the same interest period. All such information will be set out in the relevant Final Terms.

Fixed Rate Notes: Fixed interest will be payable in arrear on the date or dates in each year specified in the relevant Final Terms.

Floating Rate Notes: Floating Rate Notes will bear interest determined separately for each Series as follows:

The following is the text of the terms and conditions that, as completed by the provisions of the relevant Final Terms, shall be applicable to the Notes. In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed by the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms (and subject to simplification by the deletion of non-applicable provisions) or (ii) these terms and conditions as so completed shall be endorsed on Definitive Materialised Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References below to "**Conditions**" are, unless the context requires otherwise, to the numbered paragraphs below. References in the Conditions to "**Notes**" are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are issued by HSBC France (the **Issuer**) on a syndicated or non syndicated basis, in series (each a **Series**) having one or more issue dates and on terms otherwise identical (or identical save as to the first payment of interest), the Notes of each Series being intended to be interchangeable with all other Notes of that Series. Each Series may be issued in tranches (each a **Tranche**) on the same or different issue dates. The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder and which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the **Final Terms**).

The Notes are issued with the benefit of an amended and restated agency agreement dated 16 January 2014 (the **Agency Agreement**) between the Issuer, HSBC Bank plc as fiscal agent and principal paying agent and the other agents named therein. The fiscal agent, the paying agent(s) and the calculation agent(s) for the time being (if any) are referred to below respectively as the **Fiscal Agent**, the **Paying Agents** (which expression shall include the Fiscal Agent) and the **Calculation Agent(s)**. The holders of the interest coupons (the **Coupons**) relating to interest bearing Materialised Notes and, where applicable in the case of such Notes, talons (the **Talons**) for further Coupons are respectively referred to below as the **Couponholders**.

For the purposes of these Terms and Conditions, **Regulated Market** means any regulated market situated in a member state of the European Economic Area (**EEA**) as defined in the markets in financial instruments directive 2004/39/EC.

1. **Form, Denomination, Title and Redenomination**

(a) *Form*

Notes may be issued either in dematerialised form (**Dematerialised Notes**) or in materialised form (**Materialised Notes**), as specified in the relevant Final Terms.

- (i) Title to Dematerialised Notes will be evidenced in accordance with Articles L.211-3 *et seq.* of the French *Code monétaire et financier* by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code monétaire et financier*) will be issued in respect of the Dematerialised Notes.

Dematerialised Notes are issued, at the option of the Issuer, in either bearer form (*au porteur*), which will be inscribed in the books of Euroclear France (acting as central depository) which shall credit the accounts of the Account Holders, or in registered form (*au nominatif*) and, in such latter case, at the option of the relevant holder in either administered registered form (*au nominatif administré*) inscribed in the books of an Account Holder designated by the relevant Noteholder or in fully registered form (*au nominatif pur*) inscribed in an account maintained

by the Issuer or a registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the **Registration Agent**).

For the purpose of these Conditions, **Account Holder** means any authorised intermediary institution entitled to hold accounts, directly or indirectly, with Euroclear France, and includes Euroclear Bank S.A./N.V. (**Euroclear**) and the depositary bank for Clearstream Banking, société anonyme (**Clearstream, Luxembourg**).

Materialised Notes in definitive form (**Definitive Materialised Notes**) are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. In accordance with Articles L.211-3 *et seq.* of the French *Code monétaire et financier*, securities (such as Notes constituting obligations under French law) in materialised form and governed by French law must be issued outside the French territory.

Materialised Notes and Dematerialised Notes may also be cleared through one or more clearing system(s) other than or in addition to Euroclear France, Euroclear and/or Clearstream Luxembourg, as may be specified in the relevant Final Terms.

- (iii) The Notes may be **Fixed Rate Notes, Floating Rate Notes, Fixed/Floating Rate Notes and Zero Coupon Notes**.

- (b) *Denomination(s)*

Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the **Specified Denomination(s)**).

Notes having a maturity of less than one year in respect of which the issue proceeds are to be accepted in the United Kingdom will constitute deposits for the purposes of the prohibition on accepting deposits contained in section 19 of the Financial Services and Markets Act 2000 (the **FSMA**) unless they are issued to a limited class of professional investors and have a denomination of at least £100,000 or its equivalent.

Dematerialised Notes shall be issued in one Specified Denomination only.

- (c) *Title*

- (i) Title to *Dematerialised* Notes in bearer form (*au porteur*) and in administered registered form (*au nominatif administré*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Account Holders. Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts maintained by the Issuer or by the Registration Agent.

- (ii) Title to Definitive Materialised Notes, including, where appropriate, Coupons and/or a Talon attached, shall pass by delivery.

- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the Noteholder (as defined below), Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.

In these Conditions,

Noteholder or, as the case may be, "holder of any Note" means (a) in the case of Dematerialised Notes, the individual or entity whose name appears in the account of the relevant Account Holder, the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (b) in the case of Materialised Notes, the bearer of any Definitive Materialised Note and the Coupons or Talons relating to it.

Outstanding means, in relation to Notes of any Series, all the Notes issued other than (a) those that have been redeemed in accordance with these Conditions, (b) those in respect of which the date for redemption has occurred and the redemption moneys (including all interest accrued on such Notes to the date for such redemption, Arrears of Interest, as the case may be, and any interest payable after such date) have been duly paid as provided in Condition 7, (c) those which have become void or in respect of which claims have become prescribed, (d) those which have been purchased and that are held or have been cancelled as provided in the Conditions, (e) in the case of Definitive Materialised Notes (i) those mutilated or defaced Definitive Materialised Notes that have been surrendered in exchange for replacement Definitive Materialised Notes, (ii) (for the purpose only of determining how many such Definitive Materialised Notes are outstanding and without prejudice to their status for any other purpose) those Definitive Materialised Notes alleged to have been lost, stolen or destroyed and in respect of which replacement Definitive Materialised Notes have been issued and (iii) any Temporary Global Certificate to the extent that it shall have been exchanged for one or more Definitive Materialised Notes, pursuant to its provisions.

(d) *Redenomination*

- (i) The Issuer may (if so specified in the relevant Final Terms), on any date, without the consent of the Noteholder, Coupon or Talon, by giving at least 30 days' notice in accordance with Condition 15 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the **EC**), as amended from time to time (the **Treaty**) or events have occurred which have substantially the same effects (in either case, **EMU**), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as more fully described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the **Redenomination Date**.
- (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resulting figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 15. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euros on the Redenomination Date in the manner notified to Noteholders by the Issuer.
- (iii) Upon redenomination of the Notes, any reference hereon to the relevant national currency shall be construed as a reference to Euro.

- (iv) The Issuer may, with the prior approval of the Fiscal Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 14, without the consent of the Noteholder, Coupon or Talon, make any changes or additions to these Conditions or Condition 14 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated Euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the Noteholders, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 15 as soon as practicable thereafter.
- (v) Neither the Issuer nor any Paying Agent shall be liable to the Noteholder, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euros or any currency conversion or rounding effected in connection therewith.

2. **Conversions and Exchanges of Notes**

(a) *Dematerialised Notes*

Dematerialised Notes issued in bearer form (*au porteur*) may not be converted into Dematerialised Notes in registered form, whether in fully registered form (*au nominatif pur*) or in administered registered form, (*au nominatif administré*).

Dematerialised Notes issued in registered form (*au nominatif*) may not be converted into Dematerialised Notes in bearer form (*au porteur*).

Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the holder of such Notes, be converted into Notes in administered registered form (*au nominatif administré*), and vice versa. The exercise of any such option by such holder shall be made in accordance with Article R.211-4 of the French *Code monétaire et financier*. Any such conversion shall be effected at the cost of such holder.

(b) *Materialised Notes*

Materialised Notes of one Specified Denomination may not be exchanged for Materialised Notes of another Specified Denomination (as defined in the relevant Final Terms).

3. **Status**

The Notes, and, where applicable, any relative Coupons are direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) *pari passu* with all other present or future unsecured and unsubordinated obligations of the Issuer.

- (ii) in the case of a Specified Currency other than Euro, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for that currency, and/or
- (iii) in the case of a Specified Currency and/or one or more business centre(s) specified in the relevant Final Terms (the **Business Centre(s)**), a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in such currency in the Business Centre(s) or, if no currency is indicated, generally in each of the Business Centres so specified.

Day Count Fraction means, in respect of the calculation of an amount of interest on any Note for any period of time (from and including the first day of such period to but excluding the last) (whether or not constituting an Interest Period, the **Calculation Period**):

- (i) if **Actual/Actual**, **Actual/Actual-ISDA**, **Act/Act** or **Act/Act-ISDA** or **Actual/365-FBF** is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365).
- (ii) if **Actual/Actual-ICMA** or **Act/Act-ICMA** is specified in the relevant Final Terms:

D1 (dd1, mm1, yy1) is the date of the beginning of the period

D2 (dd2, mm2, yy2) is the date of the end of the period

- (viii) if **30^E/360** or **Eurobond Basis** is specified in the relevant Final Terms, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{1}{360} \times [[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)]$$

M1 is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

M2 is the calendar month, expressed as a number, in which the day immediately following the last day included the Calculation Period falls;

D1 is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D1 will be 30; and

D2 is the calendar day, expressed as a number, immediately following the last day included the Calculation Period, unless such number would be 31, in which case D2 will be 30.

- (ix) if **30^E/360-FBF** is specified in the relevant Final Terms, in respect of each Calculation Period, the fraction whose denominator is 360 and whose numerator is the number of days elapsed during such period, calculated on the basis of a year comprising 12 months of 30 days, subject to the following exception:

if the last day of the Calculation Period is the last day of the month of February, the number of days elapsed during such month shall be the actual number of days.

Using the same abbreviations as for 30/360-FBF, the fraction is:

$$\frac{1}{360} \times [(yy_2 - yy_1) \times 360 + (mm_2 - mm_1) \times 30 + \text{Min}(dd_2, 30) - \text{Min}(dd_1, 30)]$$

- (x) if **30^E/360-ISDA** is specified in the relevant Final Terms, the number of days in the Calculation Period divided by 360 calculated on a formula basis as follows:

where:

Y1 is the year, expressed as a number, in which the first day of the Calculation Period falls;

6. **Interest on Floating Rate Notes**

(a) *Interest Payment Date*

Each Floating Rate Note bears interest shall do so on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrears on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the relevant Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the relevant Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the relevant Final Terms as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Notwithstanding the foregoing, where the applicable Final Terms specify that the relevant Business Day Convention is to be applied on an "unadjusted" basis, the Interest Amount payable on any date shall not be affected by the application of that Business Day Convention.

(c) *Rate of Interest for Floating Rate Notes*

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined according to the provisions below relating to either ISDA Determination, FBF Determination or Screen Rate Determination, depending upon which is specified in the relevant Final Terms.

(i) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (i), **ISDA Rate** for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (A) the Floating Rate Option is as specified in the relevant Final Terms;
- (B) the Designated Maturity is a period specified in the relevant Final Terms; and
- (C) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (i), **Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity, Reset Date** and **Swap Transaction** have the meanings given to those terms in the ISDA Definitions.

(ii) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (ii), **FBF Rate** for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Agent under a notional interest rate swap transaction (*Echange*) in the relevant Specified Currency incorporating the FBF Definitions and under which:

- (A) the Floating Rate is as specified in the relevant Final Terms and
- (B) the Floating Rate Determination Date is as specified in the relevant Final Terms

For the purposes of this sub-paragraph (ii), **Floating Rate, Agent** and **Floating Rate Determination Date** are translations of the French terms *Taux Variable, Agent* and *Date de Détermination du Taux Variable*, respectively, which have the meanings given to those terms in the FBF Definitions.

(iii) Screen Rate Determination for Floating Rate Notes

(a) Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

(1) the offered quotation; or

(2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the relevant Final Terms) the Margin (if any) as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified hereon as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided hereon.

(b) if the Relevant Screen Page is not available or, if sub-paragraph (a)(1) applies and no such offered quotation appears on the Relevant Screen Page, or, if sub-paragraph (a)(2) applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

(c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that

which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (d) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being CMS Rate, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be determined by the Calculation Agent by reference to the following formula:

CMS Rate + Margin

(A) If the Relevant Screen Page is not available at the Relevant Time on the relevant Interest Determination Date: (i) the Calculation Agent shall request each of the CMS Reference Banks to provide the Calculation Agent with its quotation for the Relevant Swap Rate at approximately the Relevant Time on the relevant Interest Determination Date; (ii) if at least three of the CMS Reference Banks provide the Calculation Agent with such quotations, the CMS Rate for such Interest Accrual Period shall be the arithmetic mean of such quotations, eliminating the highest quotation (or, in the event of equality, one of the highest quotations and the lowest quotation (or, in the event of equality, one of the lowest quotations) and (iii) if on any Interest Determination Date less than three or none of the CMS Reference Banks provides the Calculation Agent with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Calculation Agent on such commercial basis as considered appropriate by the Calculation Agent in its absolute discretion, in accordance with the then prevailing standard market practice.

(B) For the purposes of this sub-paragraph (d):

"**CMS Rate**" shall mean the applicable swap rate for swap transactions in the Specified Currency with a maturity of the Designated Maturity, expressed as a percentage, which appears on

the Relevant Screen Page as at the Relevant Time on the relevant Interest Determination Date in question, all as determined by the Calculation Agent.

"**CMS Reference Banks**" means (i) where the Specified Currency is Euro, the principal office of five leading swap dealers in the inter-bank market, (ii) where the Specified Currency is Sterling, the principal London office of five leading swap dealers in the London inter-bank market, (iii) where the Specified Currency is United States dollars, the principal New York City office of five leading swap dealers in the New York City inter-bank market, or (iv) in the case of any other Specified Currency, the principal relevant Financial Centre office of five leading swap dealers in the relevant Financial Centre inter-bank market, in each case selected by the Calculation Agent.

(d) *Zero Coupon Notes*

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date pursuant to an Issuer's Option or, if so specified in the relevant Final Terms, pursuant to Condition 7(d) or otherwise and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(d)(i)).

(e) *Fixed/Floating Rate Notes*

Fixed/Floating Rate Notes may bear interest at a rate (i) that the Issuer may elect to convert on the date set out in the Final Terms from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate or (ii) that will automatically change from a Fixed Rate to a Floating Rate or from a Floating Rate to a Fixed Rate on the date set out in the Final Terms.

(f) *Accrual of Interest*

Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, payment on such due date; or (ii) in the case of Materialised Notes, payment upon due presentation is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date.

(g) *Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding:*

If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.

If any Maximum or Minimum Rate of Interest or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.

For the purposes of any calculations required pursuant to these Conditions, (w) if FBF Determination is specified in the relevant Final Terms, all percentages resulting from such calculations shall be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with halves being rounded up), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(h) *Calculations*

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount is specified in the relevant Final Terms in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(i) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts*

As soon as practicable after the relevant time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination (as defined in the relevant Final Terms) of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and admitted to trading on a Regulated Market of the EEA or on an unregulated stock exchange and the rules applicable to that Regulated Market or such unregulated stock exchange so require, such Regulated Market or such unregulated stock exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market or such unregulated stock exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(b), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(j) *Calculation Agent*

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined in Condition 1(c) above). Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent

performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office, as appropriate, or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. So long as the Notes are listed and admitted to trading on any Regulated Market(s) or any unregulated stock exchange(s) and the applicable rules of, or applicable to, that Regulated Market or that stock exchange so require, notice of any change of Calculation Agent shall be given in accordance with Condition 15.

7. **Redemption, Purchase and Options**

(a) *Final Redemption*

Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's option in accordance with Condition 7(b) or any Noteholder's option in accordance with Condition 7(c), each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount which is its nominal amount (except in case of Zero Coupon Notes).

(b) *Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption*

If a Call Option is specified in the relevant Final Terms, the Issuer may, subject to giving not less than 15 nor more than 30 days' irrevocable notice in accordance with Condition 15 to the Noteholders redeem all or, if so provided, some, of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount (being the nominal amount) together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest) (except in case of Zero Coupon Notes which shall be at their Amortised Nominal Amount as defined in Condition 7(d)(i)), if any. Any such redemption must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed as specified in the relevant Final Terms and no greater than the maximum nominal amount to be redeemed as specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the numbers of the Definitive Materialised Notes to be redeemed or in respect of which such Option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market or unregulated stock exchange requirements.

In the case of a partial redemption of, or a partial exercise of an Issuer's Option in respect of, Dematerialised Notes, the redemption may be effected, at the option of the Issuer by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed.

So long as the Notes are admitted to trading on Euronext Paris and the rules applicable to that Regulated Market so require, the Issuer shall, once in each year in which there has been a partial

redemption of the Notes, cause to be published in accordance with Articles 221-3 and 221-4 of the *Règlement Général* of the *Autorité des marchés financiers* and on the website of any other competent authority and/or Regulated Market of the EEA Member State where the Notes are listed and admitted to trading, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes, a list of any Materialised Notes drawn for redemption but not surrendered.

(c) *Redemption at the Option of Noteholders and Exercise of Noteholders' Options*

If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than 15 nor more than 30 days' notice to the Issuer redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount (being the nominal amount) together with interest accrued to the date fixed for redemption including, where applicable, any Arrears of Interest (except in case of Zero Coupon Notes which shall be its Amortised Nominal Amount as defined in Condition 7(d)(i)).

To exercise such option or any other Noteholders' option that may be set out in the relevant Final Terms the Noteholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the **Exercise Notice**) in the form obtained during normal business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Notes, the Exercise Notice shall have attached to it the relevant Notes (together with all unmatured Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Paying Agent with a specified office in Paris, as specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

(d) *Early Redemption*

(i) Zero Coupon Notes

- (A) The Optional Redemption Amount or the Early Redemption Amount payable in respect of any Zero Coupon Note upon redemption of such Note pursuant to Condition 7(b), 7(c) and 7(e) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Nominal Amount (calculated as provided below) of such Note.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date (the **Amortisation Yield**)) compounded annually (the **Amortised Nominal Amount**).
- (C) If the Amortised Nominal Amount payable in respect of any such Note upon its redemption pursuant to Condition 7(b), 7(c) and 7(e) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Optional Redemption Amount or the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgement) until the Relevant Date, unless the

Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 6(e).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction as specified in Condition 4.

(ii) Other Notes

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 7(e) or upon it becoming due and payable as provided in Condition 10 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption (including, where applicable, any Arrears of Interest).

(e) *Redemption for Taxation Reasons:*

If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Condition 9(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than 45 nor less than 30 days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 15, redeem all, but not some only, of the Notes at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

If the Issuer would, on the next payment of principal or interest in respect of the Notes, be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 9(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than 7 days' prior notice to the Noteholders in accordance with Condition 15, redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption (including, where applicable, any Arrears of Interest) on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) 14 days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Coupons or, if that date is passed, as soon as practicable thereafter.

(f) *Purchases*

In compliance with applicable law and regulation, the Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Coupons and unexchanged

Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price.

Unless the possibility of holding and reselling is expressly excluded in the Final Terms, Notes so purchased by the Issuer may be held and resold in accordance with applicable laws and/or regulations for the purpose of enhancing the liquidity of the Notes, or cancelled in accordance with Condition 6 (g) below.

(g) *Cancellation*

All Notes purchased by or on behalf of the Issuer to be cancelled, will be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Notes, by surrendering the relevant Temporary Global Certificate or the Definitive Materialised Notes in question, together with all unmatured Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Definitive Materialised Notes, all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

8. **Payments and Talons**

(a) *Dematerialised Notes*

Payments of principal and interest in respect of Dematerialised Notes shall (i) in the case of Dematerialised Notes in bearer dematerialised form or administered registered form, be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the Noteholders and, (ii) in the case of Dematerialised Notes in fully registered form, to an account denominated in the relevant currency with a Bank (as defined below) designated by the relevant Noteholder. All payments validly made to such Account Holders or Bank will be an effective discharge of the Issuer in respect of such payments.

(b) *Definitive Materialised Notes*

(i) Method of payment

Subject as provided below, payments in a Specified Currency will be made by credit or transfer to an account denominated in the relevant Specified Currency, or to which the Specified Currency may be credited or transferred (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is euro, shall be any country in the Euro-zone, and, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively).

(ii) Presentation and surrender of Definitive Materialised Notes and Coupons

Payments of principal in respect of Definitive Materialised Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of partial payment of any sum due, annotation) of such Notes, and payments of interest in respect of Definitive Materialised Notes will (subject as provided

below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Notes in definitive form should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 11) or, if later, 5 years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note becomes due and repayable prior to its Maturity Date, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Materialised Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender (if appropriate) of the relevant Definitive Materialised Note.

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Materialised Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments subject to Fiscal Laws*

All payments are subject in all cases to (i) any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 9 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 9) any law implementing an intergovernmental approach thereto. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents*

The Fiscal Agent, the Paying Agent, the Calculation Agent and the Registration Agent initially appointed by the Issuer and their respective specified offices are listed at the end of the Base Prospectus relating to the Programme of the Notes of the Issuer. The Fiscal Agent, the Paying Agents and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, Registration Agent or Calculation Agent and to appoint other Fiscal Agent, Paying Agent(s), Registration Agent(s) or Calculation Agent(s) or additional Paying Agent(s), Registration Agent(s) or Calculation Agent(s), provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require (iv) Paying Agents having specified offices in at least two major European cities provided that (A) so long as the Notes are admitted to trading on the Luxembourg Stock Exchange and the rules applicable to that Regulated Market so require, the Issuer will maintain a Paying Agent in Luxembourg, and (B) so long as the Notes are admitted to trading on Euronext Paris and the rules applicable to that Regulated Market so require, the Issuer will maintain a Paying Agent allowed to provide in France services relating to issues of securities within the meaning of Directive 2006/48/EC relating to the taking up and pursuit of the business of credit institutions , (v) in the case of Materialised Notes, a Paying Agent having its specified office in a Member State of the EU that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other EU Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to, such Directive (which may be any of the Paying Agents referred to in (iv) above), (vi) in the case of Dematerialised Notes in fully registered form, a Registration Agent and (vii) such other agents as may be required by the rules of any other stock exchange on which the Notes may be listed and admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 15.

(f) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).

(g) *Business Days for Payment*

If any date for payment in respect of any Note or Coupon is not a business day, the Noteholder or Couponholder shall not be entitled to payment until the next following business day unless otherwise specified in the relevant Final Terms, nor to any interest or other sum in respect of such postponed payment. In this paragraph, **business day** means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) on which banks and foreign exchange markets are open for business in such jurisdictions as shall be specified as **Financial Centres** in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account

maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.

(h) *Bank*

For the purpose of this Condition 8, **Bank** means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET 2 System.

9. **Taxation**

(a) *Withholding Tax*

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes or Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) *Additional Amounts*

If French law should require that payments of principal or interest in respect of any Note or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note or Coupon, as the case may be:

(i) *Other connection*

to, or to a third party on behalf of, a Noteholder or Couponholder who is liable to such taxes or duties by reason of his having some connection with France other than the mere holding of the Note or Coupon; or

(ii) *More than 30 days after the Relevant Date*

in the case of Definitive Materialised Notes, more than 30 days after the Relevant Date except to the extent that the Noteholder or Couponholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or

(iii) *Payment to individuals*

where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or

(iv) *Payment by another Paying Agent*

- (iii) the Issuer sells, transfers or otherwise disposes of, directly or indirectly, the whole or a substantial part of its assets, or the Issuer enters into voluntary liquidation, except in the case of a disposal, liquidation, merger or other reorganisation in which all of or substantially all of the Issuer's assets are transferred to a legal entity which assumes all of the Issuer's liabilities including the Notes and whose main purpose, or one of whose main purpose, is the continuation of, and which effectively continues, the Issuer's activities; or

12. **Representation of Noteholders**

The provisions of this Condition 12 regarding the representation of the Noteholders shall not apply if all the Notes of a Series are held by one Noteholder. A representative of the Noteholders shall only be appointed if the Notes of a Series are held by more than one Noteholder.

In respect of the representation of the Noteholders, the following shall apply:

- (a) If the Notes are issued in France, the relevant Final Terms will specify that "Full Masse" is applicable and the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a Masse and the provisions of the French *Code de commerce* relating to the Masse shall apply in accordance with the below provisions of this Condition 12(a).

The names and addresses of the initial Representative of the Masse and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the representative of the single Masse of all Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its functions or duties, if any, as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by another Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the general meeting of the Noteholders (the **General Meeting**).

In accordance with Article R.228-71 of the French *Code de commerce*, the right of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder as of 0:00, Paris time, on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting.

The place where of a General Meeting shall be held will be set out in the notice convening such General Meeting; or

- (b) If the Notes are issued outside France, for the purpose of Article L. 228-90 of the French *Code de commerce*, the relevant Final Terms will specify that "Contractual Masse" is applicable and the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a Masse which will be subject to the below provisions of this Condition 12(b).

The Masse will be governed by the provisions of the French *Code de commerce* (the **Code**) with the exception of Articles L.228-48, L.228-59, L.228-65 I (1°), (3°) and (4°), L.228-71, R.228-63, R.228-67 and R.228-69 subject to the following provisions:

(i) Legal Personality

The Masse will be a separate legal entity and will act in part through a representative (the **Representative**) and in part through the General Meeting.

The Masse alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(ii) Representative

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- the Issuer, the members of its *Conseil d'Administration*, its general managers (*directeurs généraux*), its statutory auditors, its employees and their ascendants, descendants and spouses; or

- companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their board of directors, executive board or supervisory board, their statutory auditors, employees and their ascendants, descendants and spouses; or

The names and addresses of the initial Representative and its alternate will be set out in the Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its function or duties, if any, as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by the alternate Representative. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the initial Representative and the alternate Representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(iii) Powers of Representative

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

The Representative may not be involved in the management of the affairs of the Issuer.

(iv) General Meeting

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 15.

Each Noteholder has the right to participate in a General Meeting in person or by proxy, correspondence or, if the *statuts* of the Issuer so specify, videoconference or any other means of telecommunications allowing the identification of the participating Noteholders¹. Each Note carries the right to one vote or, in the case of Notes issued with more than one Specified Denomination, one vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Note.

In accordance with Article R.228-71 of the French *Code de Commerce*, the rights of each Noteholder to participate in the General Meetings must be evidenced by entries in the books of the relevant Account Holder in the name of such Noteholder at midnight Paris time on the third Paris business day preceding the date set for the relevant General Meeting.

(v) Powers of the General Meetings

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternate Representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase amounts payable by Noteholders, nor establish any unequal treatment between the Noteholders, nor decide to convert Notes into shares.

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least a fifth of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by Noteholders attending such General Meetings or represented thereat.

¹ At the date of this Base Prospectus, the *statuts* of the Issuer do not contemplate the right for a Noteholder to participate in a General Meeting by videoconference or any other means of telecommunication allowing the identification of the participating Noteholders.

In accordance with Article R.228-71 of the French *Code de commerce*, the right of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder as of 0:00, Paris time, on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 15.

(vi) Information to Noteholders

Each Noteholder or Representative thereof will have the right, during the 15-day period preceding the holding of each General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Noteholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting.

(vii) Expenses

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the Notes.

(viii) Single Masse

The Noteholders of the same Tranche or Series, and the Noteholders of any other Tranche or Series which have been assimilated (*assimilables* for the purpose of French Law) with the Notes of such first mentioned Tranche or Series in accordance with Condition 15, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche or Series of Notes will be the Representative of the single Masse of all Tranches in such Series.

For the avoidance of doubt, in this Condition 12, the term “outstanding” shall not include those Notes purchased by the Issuer in accordance with Article L.213-1 A of the French *Code monétaire et financier* that are held by it and not cancelled.

13. Replacement of Definitive Materialised Notes Coupons and Talons

If, in the case of any Materialised Notes, a Definitive Materialised Note, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market or unregulated stock exchange regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for this purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Note, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Notes, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Notes, Coupons or Talons must be surrendered before replacements will be issued.

14. **Further Issues and Consolidation**

(a) *Further Issues*

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further Notes to be assimilated (*assimilables* for the purpose of French Law) with the Notes provided such Notes and the further Notes carry rights identical in all respects (or identical in all respects save as to the principal amount thereof and the first payment of interest) and that the terms of such Notes provide for such assimilation, and references in these Conditions to **Notes** shall be construed accordingly.

(b) *Consolidation*

The Issuer, with the prior approval of the Fiscal Agent (which shall not be unreasonably withheld), may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than 30 days' prior notice to the Noteholders in accordance with Condition 15, without the consent of the Noteholders or Couponholders, consolidate the Notes of one Series denominated in Euro with the Notes of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other Notes have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

TAXATION

The following is an overview limited to certain tax considerations in Europe, France and Luxembourg relating to the Notes that may be issued under the Programme and specifically contains information on taxes on the income from the Notes withheld at source. This overview is based on the laws in force in Europe, France and Luxembourg as of the date of this Base Prospectus and is subject to any changes in law. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

1. EU SAVINGS DIRECTIVE

On 3 June 2003, the Council of the European Union adopted the Directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the **Savings Directive**). The Directive requires Member States as from 1 July 2005 to provide to the tax authorities of other Member States details of payments of interest and other similar income within the meaning of the Savings Directive made by a paying agent located within its jurisdiction to or to the benefit of an individual resident in another Member State or certain limited types of entities established in another Member State, except that Luxembourg and Austria will instead impose a withholding system for a transitional period unless the beneficiary of interest payment elects for the exchange of information. In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the Savings Directive. The current rate of such withholding tax equals 35% from 1 July 2011 and until the end of the transitional period.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent, the Issuer will be required to maintain a paying agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

The European Commission has proposed certain amendments to the Savings Directive which may, if implemented, amend or broaden the scope of the requirements described above.

2. FRENCH TAXATION

2.1 French Withholding Tax

- (a) Pursuant to the French *loi de finances rectificative pour 2009* No. 3 (n° 2009-1674 dated 30 December 2009) (the **Law**), payments of interest and other revenues made by the Issuer with respect to Notes (other than Notes (described below) which are assimilated (*assimilables* for the purpose of French law) and form a single series with Notes issued prior to 1 March 2010 having the benefit of Article 131 *quater* of the French *Code général des impôts*) will not be subject to the withholding tax set out under Article 125 A III of the French *Code général des impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code général des impôts* (a **Non-Cooperative State**). If such payments under the Notes are made in a Non-Cooperative State, a 75% withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French *Code général des impôts*.

Furthermore, according to Article 238 A of the French *Code général des impôts*, interest and other revenues on such Notes will not be deductible from the Issuer's taxable income, if they

are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid on a bank account opened in a financial institution located in such a Non-Cooperative State (the **Deductibility Exclusion**). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Articles 109 *et seq.* of the French *Code général des impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* 2 of the French *Code général des impôts*, at a rate of 30% or 75%, subject to the more favourable provisions of any applicable double tax treaty.

Notwithstanding the foregoing, the Law provides that neither the 75% withholding tax provided by Article 125 A III of the French *Code général des impôts*, nor the Deductibility Exclusion will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the **Exception**). Pursuant to the *Bulletin Officiel des Finances Publiques-Impôts* BOI-INT-DG-20-50-20120912, BOI-RPPM-RCM-30-10-20-50-20120912, BOI-ANNX-000364-20120912 and BOI-ANNX-000366-20120912, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the main purpose and effect of such issue of Notes if such Notes are:

- (A) offered by means of a public offer within the meaning of Article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
 - (B) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
 - (C) admitted, at the time of their issue, to the operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.
- (b) Payments of interest and other revenues with respect to Notes which are assimilated (*assimilables* for the purpose of French law) and form a single series with Notes issued (or deemed issued) before 1 March 2010 outside France, as provided under Article 131 *quater* of the French *Code général des impôts*, will continue to be exempt from the withholding tax set out under Article 125 A III of the French *Code général des impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of the *Bulletin Officiel des Finances Publiques-Impôts* BOI-RPPM-RCM-30-10-30-30-20120912 or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French *Code général des impôts*, in accordance with the aforementioned *Bulletin Officiel des Finances Publiques-Impôts*.

In addition, interest and other revenues paid by the Issuer on Notes which are to be assimilated (*assimilables* for the purpose of French law) and form a single series with Notes issued (or deemed issued) outside France before 1 March 2010 will not be subject to the withholding tax set out in Article 119 *bis* 2 of the French *Code général des impôts* solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

- (c) Pursuant to Article 9 of the 2013 Finance Law (*Loi de finances pour 2013, n°2012-1509 du 29 décembre 2012*), subject to certain limited exceptions, interest and similar revenues received as from 1 January 2013 by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France are subject to a 24% withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5% on interest and other similar revenues paid to individuals who are fiscally domiciled (*domiciliés fiscalement*) in France.

2.2 EU Savings Directive

The Savings Directive has been implemented into French law by Article 242 *ter* of the French *Code général des impôts* and Articles 49 I *ter* to 49 I *sexies* of the Schedule III to French *Code général des impôts*. Article 242 *ter* of the French *Code général des impôts*, imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

3. LUXEMBOURG TAXATION

The Savings Directive has been implemented in Luxembourg law by Act of 21 June 2005 (the **Laws**).

Individuals

Luxembourg residents

Subject to the application of the 10% withholding tax described below, there is no withholding tax on payments of principal, premium or interest (including accrued but unpaid interest) made to Luxembourg resident Noteholders.

A 10% withholding tax has been introduced, as from 1 January 2006, on interest payments made by Luxembourg paying agents (defined in the same way as in the Savings Directive) to Luxembourg individual residents. Only interest accrued after 1 July 2005 falls within the scope of this withholding tax. Income (other than interest) from investment funds, interest from current accounts provided that the interest rate is not higher than 0.75% per annum and interest allocated to a home savings bank deposit (*dépôt d'épargne auprès d'une caisse d'épargne-logement*) are exempt from the withholding tax. Furthermore, interest which is accrued once a year on savings accounts (short and long term) and which does not exceed €250 per annum per person and per paying agent is exempt from the withholding tax.

This withholding tax represents the final tax liability for the Luxembourg individual resident taxpayers, provided that he/she is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent.

Luxembourg non-residents

Subject to the application of the Savings Directive and the Laws, there is no withholding tax on payments of principal, premium or interest (including accrued but unpaid interest) made to Luxembourg non-resident Noteholders.

Under the Savings Directive and the Laws, a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual resident in another Member State unless the beneficiary of the interest payments elects for the exchange of information. The same regime applies to payments to individuals or residual entities resident in certain dependent territories (as defined by the Laws and the Savings Directive).

The withholding tax rate is currently 35%. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent.

In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the Savings Directive.

Corporations

There is no withholding tax for Luxembourg resident and non-resident corporations Noteholders on payments of principal, premium or interest (including accrued but unpaid interest).

4. FOREIGN ACCOUNT TAXPAYER COMPLIANCE ACT

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (**FATCA**) impose a new reporting regime and potentially a 30% withholding tax with respect to certain payments to any non-U.S. financial institution (a "foreign financial institution", or **FFI** (as defined by FATCA)) that (i) does not become a **Participating FFI** by entering into an agreement with the U.S. Internal Revenue Service (**IRS**) to provide the IRS certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA. The Issuer is classified as an FFI.

The new withholding regime will be phased in beginning 1 July 2014 for payments received from sources within the United States and will apply to **foreign passthru payments** (a term not yet defined) no earlier than 2017. This withholding would apply to payments in respect of (i) any Notes characterized as debt (or which are not otherwise characterized as equity and have a fixed term) for U.S. federal tax purposes that are issued on or after the **grandfathering date**, which is the later of (a) 1 July 2014 and (b) the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign passthru payment are filed with the Federal Register, or which are materially modified on or after the grandfathering date and (ii) any Notes characterised as equity or which do not have a fixed term for U.S. federal tax purposes, whenever issued. If Notes are issued before the grandfathering date, and additional Notes of the same series are issued on or after that date, the additional Notes may not be treated as grandfathered, which may have negative consequences for the existing Notes, including a negative impact on market price.

The United States and a number of other jurisdictions have announced their intention to negotiate intergovernmental agreements to facilitate the implementation of FATCA (each, an **IGA**). Pursuant to FATCA and the "Model 1" and "Model 2" IGAs released by the United States, an FFI in an IGA signatory country could be treated as a **Reporting FI** not subject to withholding under FATCA on any payments it receives. Further, an FFI in a Model 1 IGA jurisdiction generally would not be required to

withhold under FATCA or an IGA (or any law implementing an IGA) (any such withholding being **FATCA Withholding**) from payments it makes. The Model 2 IGA leaves open the possibility that a Reporting FI might in the future be required to withhold as a Participating FFI on foreign passthru payments. Under each Model IGA, a Reporting FI would still be required to report certain information in respect of its account holders and investors to its home government or to the IRS. The United States and France have entered into an agreement (the **US-France IGA**) based largely on the Model 1 IGA.

The Issuer expects to be treated as a Reporting FI pursuant to the US-France IGA and does not anticipate being obliged to deduct any FATCA Withholding on payments it makes. There can be no assurance, however, that the Issuer will be treated as a Reporting FI, or that it would in the future not be required to deduct FATCA Withholding from payments it makes. If the Issuer becomes a Participating FFI, the Issuer and financial institutions through which payments on the Notes are made may be required to withhold FATCA Withholding if any FFI through or to which payment on such Notes is made is not a Participating FFI, a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA.

Whilst the Notes are held within the clearing systems, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Notes by the Issuer, any paying agent and the common depositary, given that each of the entities in the payment chain between the Issuer and the participants in the clearing systems is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an IGA will be unlikely to affect the Notes. The documentation expressly contemplates the possibility that the Notes may be in definitive form and therefore that they may be taken out of the clearing systems. If this were to happen, then a non-FATCA compliant holder could be subject to FATCA Withholding.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on proposed regulations, official guidance and the Model 1 IGA, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their own tax advisers on how these rules may apply to the Issuer and to payments they may receive in connection with the Notes.

TO ENSURE COMPLIANCE WITH IRS CIRCULAR 230, EACH TAXPAYER IS HEREBY NOTIFIED THAT: (A) ANY TAX DISCUSSION HEREIN IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED BY THE TAXPAYER FOR THE PURPOSE OF AVOIDING U.S. FEDERAL INCOME TAX PENALTIES THAT MAY BE IMPOSED ON THE TAXPAYER; (B) ANY SUCH TAX DISCUSSION WAS WRITTEN TO SUPPORT THE PROMOTION OR MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) THE TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER'S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

SUBSCRIPTION AND SALE

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 16 January 2014 between the Issuer, the Permanent Dealers and the Arranger (the **Dealer Agreement**), the Notes will be offered by the Issuer to the Permanent Dealers (other than HSBC France). However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuer has agreed to reimburse the Arranger for its expenses incurred in connection with the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealers have agreed to indemnify the Issuer against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

General

These selling restrictions may be modified or supplemented by the agreement of the Issuer and the Dealers in particular following a change in a relevant law, regulation or directive.

Each Dealer has agreed that it will comply, to the best of its knowledge, with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.

European Economic Area

In relation to each Member State of the EEA which has implemented the Prospectus Directive (each, a **Relevant Member State**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the final terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable;
- (b) at any time to any legal entity which is a qualified investor as defined under the Prospectus Directive;

- (c) at any time to fewer than 100 or, if the relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive (as defined below), 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in paragraphs (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an **offer of Notes to the public** in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression **Prospectus Directive** means Directive 2003/71/EC (and the amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression **2010 PD Amending Directive** means Directive 2010/73/EU.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account of benefit of U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S.

The Notes are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

In addition, until 40 days after the commencement of the offering of an identifiable Tranche of Notes, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering of such Tranche of Notes) may violate the registration requirements of the Securities Act.

Materialised Notes having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and Treasury regulations thereunder.

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Dealer Agreement, it will not offer or sell or, in the case of Materialised Notes, deliver the Notes of any identifiable Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such Tranche as determined, and certified to the Issuer, by the Fiscal Agent, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of U.S. persons, and it will have sent to each Dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account of U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. This Base Prospectus does not constitute an offer to any person in the United States. Distribution of this Base Prospectus by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States is unauthorised and any disclosure without prior written consent

of the Issuer of any of its contents to any such U.S. person or other person within the United States, is prohibited.

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and

The Netherlands

- (a) Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not make an offer of Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to the public in The Netherlands in reliance on Article 3(2) of the Prospectus Directive unless:
 - (i) such offer is made exclusively to legal entities which are qualified investors (as defined in the Prospectus Directive and which includes authorised discretionary asset managers acting for the account of retail investors under a discretionary investment management contract) in The Netherlands; or

provided that no such offer of Notes shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expressions (i) an "offer of Notes to the public" in relation to any Notes in The Netherlands; and (ii) "Prospectus Directive", have the meaning given to them above in the paragraph headed with "European Economic Area".

- (b) In addition and without prejudice to the relevant restrictions set out under (a) above, Zero Coupon Notes (as defined below) in definitive form may only be transferred and accepted, directly or indirectly, within, from or into The Netherlands through the mediation of either the Issuer or a member firm of Euronext Amsterdam N.V., admitted in a function on one or more markets or systems held or operated by Euronext Amsterdam N.V., in accordance with the Dutch Savings Certificates Act (*Wet inzake spaarbewijzen*) of 21 May 1985 (as amended) and its implementing regulations.

No such mediation is required: (a) in respect of the transfer and acceptance of rights representing an interest in a Global Note; (b) in respect of the transfer and acceptance of Zero Coupon Notes in definitive form between individuals who do not act in the conduct of a business or profession; (c) in respect of the initial issue of Zero Coupon Notes in definitive form to the first holders thereof; or (d) in respect of the transfer and acceptance of such Zero Coupon Notes within, from or into The Netherlands if all Zero Coupon Notes (either in definitive form or as rights representing an interest in a Zero Coupon Note in global form) of any particular Series or Tranche are issued outside The Netherlands and are not distributed into The Netherlands in the course of initial distribution or immediately thereafter.

In the event that the Savings Certificates Act applies, certain identification requirements in relation to the issue and transfer of, and payments on, Zero Coupon Notes have to be complied with.

As used herein "Zero Coupon Notes" are Notes that are in bearer form and that constitute a claim for a fixed sum against the Issuer and on which interest does not become due during their tenor or on which no interest is due whatsoever.

Italy

Each Dealer has represented and agreed (and each further Dealer appointed under the Programme will be required to represent and agree) that:

(i) **Offer to the public in Italy:**

it will only make an offer of the Notes to the public in the Republic of Italy after a prospectus has been approved by the competent authority of another Member State of the EEA, which has implemented the EU Prospectus Directive 2003/71/EC, as amended (the **Prospectus Directive**) and notice of such approval has been given to the *Commissione Nazionale per le Società e la Borsa (CONSOB)* in accordance with the passporting procedure set forth in the Prospectus Directive as implemented by Article 98 of the Legislative Decree no. 58 of 24 February 1998, as amended (the **Financial Services Act**) and Articles 11 and 12 of CONSOB Regulation no. 11971 of 14 May 1999, as amended (the **Issuers Regulation**).

(ii) **Private placement in Italy:**

Prior to the passporting of the Base Prospectus to CONSOB, pursuant to the Italian securities legislation, the Notes may not, and will not, be offered, sold, transferred or delivered, directly or indirectly, in an offer to the public in the Republic of Italy and copies of this Base Prospectus, the relevant Final Terms or any other offering material relating to the Notes may not, and will not, be distributed in the Republic of Italy, unless an exemption applies. Accordingly, each of the Dealers and the Issuer has represented and agreed (and each further Dealer appointed under the Programme will be required to represent and agree) not to effect any offering, marketing, solicitation or selling activity of the Notes in the Republic of Italy except:

- (a) to qualified investors (*investitori qualificati*), as defined pursuant to Article 100 of the Financial Services Act and Article 34-ter, paragraph 1(b) of the Issuers Regulation; or
- (b) in any other circumstances where an express exemption from compliance with the restrictions on offers to the public applies, as provided under Article 100 of the Financial Services Act and its implementing regulations, including article 34-ter of the Issuers Regulation.

Each Dealer has also represented and agreed (and each further Dealer appointed under the Programme will be required to represent and agree) that any offer, sale, transfer or delivery of the Notes or distribution of copies of this Base Prospectus, the relevant Final Terms or any other offering material relating to the Notes in the Republic of Italy under (a) or (b) above must, and will, be effected in accordance with all relevant Italian securities, tax and exchange control and other applicable laws and regulations and in particular will be made:

- (i) by an investment firm, bank or financial intermediary permitted to conduct such activities in the Republic of Italy in accordance with the Financial Services Act, Legislative Decree no. 385 of 1 September 1993 (the **Banking Act**), CONSOB Regulation no. 16190 of 29 October 2007, all as amended;

- (ii) in compliance with Article 129 of the Banking Act and the implementing guidelines of the Bank of Italy, as amended from time to time, pursuant to which the Bank of Italy may request information on the offering or issue of securities in the Republic of Italy; and
- (iii) in compliance with any other applicable requirement or limitation which may be imposed from time to time by CONSOB, the Bank of Italy or any other Italian authority.

Any investor purchasing the Notes in the offering is solely responsible for ensuring that any offer and resale of the Notes it purchased in the offering occurs in compliance with applicable Italian laws and regulations. Article 100-bis of the Financial Services Act affects the transferability of the Notes in the Republic of Italy to the extent that the Notes are placed solely with qualified investors and such Notes are then systematically resold to non-qualified investors on the secondary market at any time in the twelve (12) months following such placing. Should this occur without the publication of a prospectus in the Republic of Italy or outside of the application of one of the exemptions referred to above, purchasers of Notes who are acting outside of the course of their business or profession are entitled to have such purchase declared void and to claim damages from any authorised intermediary at whose premises the Notes were purchased.

This Base Prospectus, the Final Terms or any other document relating to the Notes, and the information contained herein are intended only for the use of its recipients and are not to be distributed to any third-party resident or located in the Republic of Italy for any reason.
